

MEET THE KneoExplorers — and Woof

EMMA

Navigator

Emma is the navigator of the Kneo spaceship.

Emma is totally brave and leads the KneoExplorers on their journey of rediscovering Earth.

SETH

Communications

Seth is a techie. He understands how technology runs communications systems —old and new. The KneoExplorers rely on Seth to keep all systems go.

MEI

Scientist

Mei is very curious. Mei is first to explore places unknown. Sometimes it puts her in danger, but she always escapes with the help of the KneoExplorers.

JJ

Medic

JJ is a smart kid. Ask JJ about anything that has to do with staying safe and healthy and he has the answer. The KneoExplorers think of JJ as the medic.

TANYA

Artist

Tanya is a great artist. Artists understand the history of art and culture so Tanya joined the KneoExplorers to help identify artifacts on Earth.

ZOE

Botanist

Zoe is a botanist. That's why she likes the color green. The KneoExplorers count on Zoe to identify edible plants to sustain life on Earth again.

ANDRES
Observationist

Andres is a cool dude. His glasses help him see things clearly—and he and the other KneoExplorers think that gives Andres special powers of observation.

JEFF
Mechanic

Jeff fixes engines. He can look inside any machine and figure out what makes it run. The KneoExplorers look to Jeff to have the right tools for any task.

WOOF
Spacedog

Beloved and clever spacedog of the KneoExplorers.
